SALE OF THE ENTIRE SOCIETE GENERALE STAKE IN LA BANQUE POSTALE FINANCEMENT

Paris, 20 December 2018

Societe Generale and La Banque Postale have announced the signature of an agreement to sale Societe Generale's 35% stake in La Banque Postale Financement to La Banque Postale. Subject to obtaining authorization from the competent regulatory authorities, the operation is expected to be completed during the first half of 2019.

Created in 2009, La Banque Postale Financement relies on a multi-channel distribution system to market consumer credit products and services to La Banque Postale customers.

Societe Generale will continue to be a La Banque Postale Financement partner as it will maintain loan recovery and insurance service agreements, and more generally will be an important partner for the Banque Postale group, particularly the joint subsidiary Transactis which specializes in electronic banking and payments.

The operation is the consequence of the expiry of the partnership. Once finalized, it will lead to a reduction of approximately 0.6 billion euros in the Group's risk-weighted assets and a positive impact on the Group's CET 1 ratio of around 5 basis points. The transaction will have an impact on the Group 4th quarter 2018 earnings of around-35 million euros due to goodwill impairment.

Societe Generale will continue its consumer credit business for individuals through its existing facilities in France and internationally.
